DOMAIN REGISTRATION

If you already have a domain name that you would like to use, or you would like us to register a new domain name for you, select the appropriate option below and fill in the domain name.

PLEASE CHECK ONE OF THE FOLLOWING:

- Domain name already registered. I will handle re-assigning it to the QTI servers.
- Email me instructions so QTI can handle re-assigning my domain name to point to the QTI servers (FREE).²
- I want QTI to register the new domain name for me.³ Please visit <http://www.qti.com/domain-registration.php> to find an available domain name. Then write it below and select domain name registration.

Domain Name Choice: _____ . _____ (.net, .com, .edu, .org, .info, .biz)

¹NOTE: .biz and .info must be registered for at least 2 years.

² We will need information from you in order to complete your domain name transfer. This information will be requested via email. If we do not receive the information within 10 business days we will cancel the transfer request.

³ Domain names are registered through Network Solutions. After the initial term expires, you will be billed by us at the then-current rate (currently \$35 per year). Failure to timely pay your bill will result in the expiration of (and possible loss of) your domain name. If you choose to register a name yourself, you may use any registrar.

PAYMENT OPTIONS

For subscription-based products, payment for the first month or year (depending on the subscription term you select) is due now. For annual subscriptions, you will be sent a renewal statement (unless you choose automatic renewal below) towards the end of your subscription. Monthly subscriptions require automatic renewal via credit card, meaning that your credit card will be automatically charged each month while your subscription remains active. Please make all checks payable to Quick Technologies Inc.
